Founder & Chairman, Shivsamarth Parivar

Every person from birth to death acquires knowledge through language, literature, culture and daily experience. This process of acquiring knowledge is commonly called education. Through education, every person tries to become virtuous, skillful and socially competent. Looking at the journey of education from Mahatma Jyotiba Phule to modern business courses, many radical changes have taken place in the field of education. Seeing the educational hardship of the hardworking common man due to the changes in the field of education after globalization, this step taken by the Shiv Samarth family through the **“Shivsamarth Parivar”** Organization in the field of education...

ABOUT

Shivsamarth Parivar

A place to fulfill the intellectual ambitions of students'

Shivsamarth Shikshan Sanstha, Talmavale

"I will make the world happy, I will fill all three people with joy" is the motto of Sant Dnyaneshwar's Abhanga, which was inspired by Adv. Janardan Botre Saheb of Manyachiwadi (Gudhe) in Patan taluka of Satara district, and from there he established 'Shivsamarth Multistate Co. Op. Credit Society'. In the past 18 years, the organization has earned a reputation as an organization that provides prompt service to its customers along with trust, quality and transparency. A good example of this is Shivsamarth Shikshan Sanstha, Talmavale.

While working in the economic sector along with the social sector, the work of maintaining transparency, credibility, professionalism, unity, remaining aloof from politics, and safeguarding the interests of social work is done through Shiv Samarth Sanstha and Parivar. The organization is moving forward with the motto 'The power of the movement belongs to whoever does it, but God must be established there' and work is being done to bring meaning to every word of this motto.

Through the Shiv Samarth Parivar Social Development Institute, the institute has started a Dairy Diploma and Diploma course for the past few years to help the 10th pass and 12th fail students stand on their own feet without getting discouraged and to connect with their soil. Through it, hundreds of

veterinary officers are treating domestic animals and livestock all over Maharashtra with the help of their knowledge. Today, radical changes are taking place in the education sector. Keeping this in mind, the Shiv Samarth International School and Junior College has been started from Nursery to Class 12 through the institute so that students do not have to go elsewhere to learn English. The school has a well-equipped building, experienced teaching staff, beautiful surroundings and state-of-the-art service facilities. School bus service is also available to transport students.

Always striving for a bright career for students, with the all-round development of students and a bright future in mind, the Shivsamartha Parivar Social Development Institute in Talmavale, which has become a source of knowledge for students from rural and urban areas in the era of competition, has started Shivsamartha Institute of Management from this year and is starting BBA, MBA, BCA, MCA post graduate and digress courses in it. Also, we are starting D. Pharmacy course through Shivsamartha College of Pharmacy. Considering the difficulties faced by students from rural areas while going to the city for education, this temple of knowledge, equipped with all the facilities, is standing at the service of everyone in a science environment to provide educational opportunities in rural areas. The specialty of this institution is that the institution's interests with big companies are useful in providing jobs to students after education. Shivsamartha Education Institute is always committed to this.

Zero Tolerance towards Sexual Harassment is a violation of women's right to equality, life and liberty. It creates an insecure and hostile work environment. Sexual Harassment at workplace (Prevention, Prohibition and Redressal) Act, 2013 defines sexual harassment as-

4. Unwelcome display of pornography.

It is discriminatory for instance when the woman has reasonable grounds to believe that her objection would disadvantage her in connection with her employment or work including recruiting or promotion or when it creates a hostile work environment. Adverse consequences might be visited if the victim does not consent to the conduct in question or raises any objection there to.

Preventive Steps

All employers or persons in charge of work place whether in public or private sector should take appropriate steps to prevent sexual harassment. Without prejudice to the generality of this obligation they should take the following steps:
